**OVERVIEW OF THE FUNCTIONS OF THE POST**

Founded in 1964 by the late Nobel Laureate Abdus Salam and located in Trieste (Italy), the Abdus Salam International Centre for Theoretical Physics (ICTP) seeks to accomplish its mandate by providing scientists from developing countries with the continuing education and skills that they need to enjoy long and productive careers.

Under the direct supervision of the Senior Operations Officer, the incumbent ensures that financial rules and regulations are observed. S/he will supervise the staff in the Unit responsible for financial and budget management. Essential responsibilities include:

**Financial Management, Accounting and Budget Management**
- Ensure that financial rules and regulations and IPSAS are applied;
- Prepare the annual Financial Statement in consultation with UNESCO Bureau of Financial Management;
- Provide advice to ICTP stakeholders on accounting and budgets matter;
- Ensure accurate and timely financial reporting within the established UNESCO frameworks;

**Contributions Management**
- Ensure that contributions from members of the tri-partite agreement between IAEA, UNESCO and the Italian Government are received and registered, ensure follow-up with the parties of agreement;
- Supervise processing and review of all voluntary contributions, review all draft donation letters and agreements, provide advice on non-standard agreements;
- Monitor the progress of programmes and projects which received voluntary contributions and ensure appropriate reporting;
- Manage and review donor reporting in collaboration with the project lead.

**Audit Matters**
- Collaborate with External Auditors during the annual financial audit and internal auditors and follow up on recommendations.

**Unit Supervision**
- Lead a specialized team responsible for several areas of financial management, establishing work objectives, performance standards, monitoring performance and ensuring the high level of service delivery;
- Create an enabling and motivating working environment; Ensure the smooth work of the unit, providing guidance and training to team members.
